

Author Talk: Kirsten W. Larson

Tuesday, March 10, 2020, 2:30 - 4 pm

How do real engineers design and test their creations? Join Kirsten W. Larson, author of the true story, *WOOD, WIRE, WINGS: Emma Lilian Todd Invents an Airplane*, to learn how real engineers work. Learn about the engineering design process, then try your hand at designing and testing your own paper airplane creations with help from our MākMō Librarian.

For ages 8 - 12
